

Recipients of the ASPPB Presidents' Award

Established in 1991

The Presidents' Award was initiated in 1991 to recognize boards' contributions to the Association of State and Provincial Psychology Boards and to the regulation of psychology. The award is not given every year, but is awarded at the discretion of the Association's President, President-Elect, and Past-President. The award is presented at the Association's Annual Meeting of Delegates in October.
